## 9310 COOPERATION WITH MUNICIPAL AGENCIES

The Board of Education recognizes the separate but complementary roles played by this Board and by the Township of Rochelle Park in the development of a budget and the levy of local taxes sufficient to provide a thorough and efficient system of free public education. Accordingly, the Board directs the implementation of a program of communication and cooperation between this district and municipal authorities.

The Superintendent may confer periodically with appropriate municipal officials on issues relating to the school district budget and discuss the annual school budget.

The Board may offer to meet with municipal officials to review the budget before the public hearing, appoint a liaison representative from the Board to attend meetings of the Rochelle Park Township Committee, and invite a liaison representative from the Rochelle Park Township Committee to attend all public meetings of the Board of Education.
