Dear Parents/Guardians,

The Rochelle Park School District is working tirelessly to address the transportation issues that occurred with our buses to Hackensack High School during our first week of school.

We are actively working with South Bergen Jointure, our transportation coordinator, the Leckie Bus Company and Hackensack High School to prevent any further issues from occurring.

Each of the transportation issues were brought to the attention of Tim Leckie, Vice President of Leckie Bus Company. We have requested GPS information regarding the routes. Further, Hackensack High School personnel will be working with our students to ensure they know and understand the bus pickup locations.

The district will continue to closely monitor this process over the next few days and we will continue to address all parent transportation concerns.
