Dear Parents/Guardians:

Please accept this letter as an opportunity to provide insight to the transportation challenges for Hackensack High School students.

All points of contact from Rochelle Park, Hackensack High School, and South Bergen Jointure Commission were in communication today. The result was that the Leckie Bus Company, by way of its owner, gave full assurance that the lack of transportation would be corrected today before dismissal.

This morning it was learned that Leckie was sending two buses when it should have been three buses as per our contract. Personnel at Hackensack High School were on watch this morning and at dismissal time. Yet, with this assurance from Leckie, the Rochelle Park Business Office received calls at dismissal saying that no buses were there. When contacted, Leckie indicated they had recorded the pick-up time as 3:05pm instead of 2:25pm. The mix up today is the time the bus company noted was the after school extra help time, not the regular dismissal time. All three buses did show at this later time.

Rochelle Park's Business Office has been making consistent efforts to address and remedy this problem with the support of Hackensack High School and South Bergen Jointure Commission, and will continue to do so to ensure all the students have their scheduled transportation. In the interim, please contact Leckie at 201-342-2517 by phone or email s.carroll@johnleckieinc.com for sensitive time matters.
