

Traveling?

Prepare to Quarantine!

In response to increased rates of COVID-19 transmission in certain states within the United States, and to protect New Jersey's successful containment of COVID-19, the State has issued a travel advisory that asks anyone entering New Jersey from a state that has a significant degree of community-wide spread of COVID-19 to quarantine at home, in a hotel, or in other temporary lodging for two weeks upon arrival.

We request that you and your child(ren) self-quarantine if you have traveled to, or are returning from, one of the following states that has been designated as having significant community spread.

Please call the School Nurse to report travel dates.
