If you are going to be late please call the school office at 201- 843 - 3120. If we do not hear from you we will try to contact you, and then your emergency contact. Please come to the front door of the school to pick up your child. A Before/After Care program staff member will be there to open the door for you and to call for your child. Younger children will be escorted to the door for you.

Children will be released to their parent/guardian or to a designated person on their pick up list. If someone not on the list is picking up your child, please email the Program Coordinator in advance or send a note with your child. If the staff member is uncertain about a person who is picking up, the parent/guardian will be called to verify. Your child's safety is our number one priority.

**\*Once a child has been signed out of school they MAY NOT return to After Care that day.**

## **Activities**

The district offers a well-rounded program combining physical activities and academic support. A monthly calendar will be sent home in the virtual folder. All activities will begin around 3:45PM and any children scheduled to leave at 4:30PM will be included in the first group of a planned activity. Please note that activities are based on grade level so all children will participate in age appropriate activities.

  - Outside play (weather permitting)
  - Technology Activities

## Homework

The teachers and aides are willing to help your child with their homework. Please remember that the children have different teachers during the day, so in each After Care class children have different homework. We do our best to make sure all homework is done and reviewed, but due to the many needs of the children, and varying assignments, we cannot ensure that everyone will have their work checked. **Please make sure you go over your child's homework when they come home, we are not responsible for the completion of homework.**

*\*If you do not want your child to do their homework in After Care, please email or send in a note to the Program Coordinator excusing him/her from doing it with us.*

## Snacks

Parents are required to submit any necessary medical information regarding food allergies or other medical conditions that may be relevant to your child. Your child is welcome to bring their own snacks. At times, we may have special snacks that the children will make. Children will have a snack after homework and again at 5:15PM for those who attend Session II. Each child attending the program will be provided with a snack each day, as well as juice and water. The following snacks may be offered:

Cookies, Chips, Popcorn, Fruit, Yogurt

## Toys from Home

We realize that children enjoy bringing toys from home. However, this comes with the risk of toys getting lost, broken, or stolen. If you chose to let your child bring a toy from home, please speak with them so they understand the risk of doing so. **The Before/After Care program takes no responsibility for toys brought from home, so please do not bring in anything that would cause you hardship if lost or broken.**

## Illness

Should your child become ill while attending Before/After Care, a staff member will contact you. If we are unable to reach you we will call your emergency number. Please keep these numbers current. In a true medical emergency, 911 will be called in addition to the parent and school administration. If a child needs to be taken to the hospital and no family member has arrived, a Before/After Care member will go with the child to the hospital. The Rochelle Park Before/After School Care program conforms to the same illness procedures as outlined in the Midland School handbook.

## Emergencies

The Before/After Care program follows the same emergency procedures as Midland School. Before/After Care staff will review emergency procedures with all students to ensure their understanding. In the event of an emergency, parents will be updated on the situation in a timely manner by the program coordinator.

## **Student Discipline**

Children are expected to adhere to the code of conduct outlined in the Midland School handbook. Students who deviate from the prescribed district code of conduct will be subject to consequences ranging from a warning to dismissal from the program. The Program Director will notify the parent/guardian of any decisions regarding consequences. The staff will make every effort to correct inappropriate behavior before it rises to the level of warranting consequences. All determinations of appropriate consequences will be made on a case-by-case basis based on the facts and circumstances of each incident. Some causes for suspension/expulsion are:

- A child who is at risk of causing serious injury to himself or others.
- Violent tantrums/angry outbursts
- Biting or physical aggression
- Chronic disrespect for staff and rules of the Before/After Care Program
- Parental threats or intimidation towards staff or children
- Habitual lateness without calling to inform staff
- Stealing or damage to property
