March 18, 2021

Dear Community Members,

It is with pleasure I am informing you that our temporary mobile classrooms are ready! The process had some delays, though we are now ready to go. These classrooms are spacious, bright and airy, nicely furnished, and arranged just as typical classrooms. They are also fully set up for those who may need accommodations. The teachers are preparing the classrooms to be welcoming spaces for the students.

Tomorrow Mr. Alberta, Principal, will be sending direct communication to the students' families for whose classrooms will be temporarily assigned to a mobile classroom. After receiving his communication if you have any questions about the temporary assignments please contact Mr. Alberta or your child's teacher.

As of Monday, March 22, 2021 all Midland School students, PreK - Grade 8, will have access to classroom learning. The hybrid model and bell schedule will continue as previously posted and shared with you.

As part of this weekly update, please know the reconstruction phase of the first floor is moving forward too! The contractors are making good progress. It is beginning to shape up so nicely that one can pleasantly envision the bright and welcoming learning spaces there will be when this is completed. I'll aim to post some pictures in the next update.

Thank you for your continued patience, care, and support. You all continue to be "Midland Strong"; may we stay the course. As always, I wish you and your loved ones good health.

Sincerely,

Dr. Sue DeNobile, Superintendent
