5120 ASSIGNMENT OF PUPILS

The Board of Education directs the assignment of pupils to the schools, programs, and classes of this district consistent with the best interests of pupils and the best uses of the resources of this district.

Pupils shall generally attend the school located in the attendance area of their residence. The Superintendent may assign a pupil to a school other than that designated by the attendance area when such an exception is justified by circumstances and/or is in the best interests of the pupil. Every effort will be made to continue a pupil in the same elementary school once the pupil has been enrolled in that elementary school.

The Superintendent shall assign incoming transfer pupils to the school in their attendance area of their residence provided the district's school or class size requirements can accommodate the pupil's enrollment. The Building Principal may assign pupils in his/her school to grades, classes, and groups on the basis of the needs of the pupil as well as the sound administration of the school.

The written request must be submitted to the Principal no later than fourteen days after the first day of each school year. Parents of twins or higher order multiples enrolling after the school year commences shall request the classroom placement in writing no later than fourteen days after the first day of attendance.
